

# QUICK GUIDE

For 2020, an Individual Student Report (ISR) is generated for only those students who completed and received a score in at least one subject: reading, mathematics, and/or science. The ISR describes an individual student's performance in terms of overall results, performance level, and Minnesota Academic Standards for each subject. If a student participated in both MTAS and MCA for different subjects, students receive separate ISRs for each.

For multi-subject ISRs for students who completed and received a score, the ISR shows the reason results are not available for other subjects (e.g., absent or test invalidated). For 2020, two additional reasons are available for why a student did not participate: not attempted due to COVID-19, and not completed due to COVID-19.

## Reports By Grade

For high school, separate two-page ISRs include the results for each subject: grade 10 reading, grade 11 mathematics, and high school science.

For grades 3, 4, 6, and 7, a four-page ISR includes the results for reading and mathematics.

For grade 5 and 8, a four-page ISR includes the results for reading, mathematics, and science.

For more information, view sample ISRs, videos, and the [Interpretive Guide for Minnesota Assessment Reports](#) on PearsonAccess Next (PearsonAccess Next > Reporting Resources > Individual Student Reports (ISRs) Resources).

**1**

**mi** DEPARTMENT OF EDUCATION

Firstname M. Lastname

SCHOOL NAME

PUBLIC SCHOOL DISTRICT NAME

Spring 2020  
Grade 4

These are your student's results from the Minnesota Comprehensive Assessments taken in the spring of 2020.

- 1. Student Demographic Information**—Demographic information for the student, including: Student Name, Grade, School, District, Date, and Assessment.

**2**

**MATHEMATICS**

**Exceeds**

Firstname's score shows performance **above** grade 4 standards

Data is not available due to COVID-19

- 2. Performance Meter**—For each reported subject, the Performance Meter shows the student's overall score as an achievement level, which is the performance level on the ISR. For 2020, State Percentile Rank and Growth are not available due to COVID-19. Growth will no longer be reported on future ISRs.

**3**

**MATHEMATICS: FIRSTNAME'S OVERALL MCA-III RESULTS**

Your Student **468**

The School, District, and State average scores are not available for 2020 due to COVID-19.

401	440	450	466	499
[Green bar representing score 468]				
Does Not Meet	Partially Meets	Meets	Exceeds	

**Performance Level Description:**  
Students at the **Exceeds the Standards** level exceed the mathematics skills of the Minnesota Academic Standards.

- 3. Overall Results**— For each reported subject, performance is indicated by a student scale score, performance level, and performance level description.

A scale score represents one of four performance levels for each subject: Exceeds the Standards, Meets the Standards, Partially Meets the Standards, or Does Not Meet the Standards.

The school, district, and state average scores are not available for 2020 due to COVID-19.

4. **Performance Details**—Performance details in each subject are compared to state expectations. A downward pointing arrow indicates performance below state expectations; a horizontal double-headed arrow indicates performance at or near state expectations; and an upward pointing arrow indicates performance above state expectations.

**4** **MATHEMATICS: Performance Details**

MATHEMATICS AREA	DESCRIPTION	PERFORMANCE
<b>Number and Operation:</b>	May include understanding meanings of numbers and operations; computing fluently and making reasonable estimates.	↔ At or Near Expectations
<b>Algebra:</b>	May include models to understand, represent and analyze patterns, relations, and functions.	↑ Above Expectations
<b>Geometry and Measurement:</b>	May include analyzing properties of geometric shapes; understanding the units, systems, and processes of measurement.	↑ Above Expectations
<b>Data Analysis:</b>	May include organizing and displaying data questions; understanding and applying basic concepts of probability.	↑ Above Expectations

Mathematics *Learning Locator*™(\*)  **6** Quantile®(\*\*\*\*) measure: 1275Q and range: 1225Q - 1325Q

5. **Learning Locator™ Access Code**—The code provides access to a website featuring customized learning resources. The access code is specific to each student's results.
6. **Lexile® or Quantile® Measure**—Reading and Mathematics MCA ISRs have a predicted Lexile (reading) or Quantile (mathematics) measure of the student's ability. The upper and lower ranges help match students with materials appropriate for their ability in the content area's skills and concepts.

- 7** **Resources for Learning**
- \* Enter the *Learning Locator*™ code for each subject at [mn.pearsonperspective.com/perspective/](http://mn.pearsonperspective.com/perspective/) to select resources mapped to your student's test results.
  - \*\* Enter the predicted Lexile range at [www.lexile.com](http://www.lexile.com) to match the reading skills of your student with books appropriate for their level.
  - \*\*\* Enter the predicted Quantile range at [www.quantiles.com](http://www.quantiles.com) to match your student with materials appropriate for their ability in mathematic skills and concepts.

7. **Resources for Learning**—Additional information on Learning Locator codes, the Lexile framework, and the Quantile framework.

## Reading and Mathematics High School Reports

8. **Career and College Readiness (CCR)**—A CCR Goal Score is included as an indicator that performance is on track to demonstrate career and college readiness on a college entrance exam at the end of grade 11.

Using MCA Scores for Course Placement—Minnesota State Colleges and Universities may use high school Reading and Mathematics MCA scores in determining course enrollment. For more information, view the [Minnesota State Academic Readiness](#) page (minnstate.edu > System Office Divisions > Academic and Student Affairs > Student Affairs > Academic Readiness).

**8** **Reading Career and College Readiness (CCR)**

Your student's score is 1048.

A student whose Reading MCA-III score is at or above 1058 is on track to demonstrate career and college readiness in reading on a college admissions test at the end of grade 11.

**MCA-III Placement Score Ranges for Minnesota State Colleges and Universities**

Intended Course of Enrollment (or equivalent)	Enrollment in Developmental Course Unless Additional Information Indicates Otherwise	Need More Information on Readiness	Enrollment in College Level Course
Reading intensive or equivalent course	MCA-III score below 1042	1042 to 1046	1047 or above

Retain this score report for use if completing the admissions process at a Minnesota State college or university. For more information please contact Minnesota State colleges and universities or your student's school.

## Grades 3–8 Multi-Subject Reports

**9**

Your Student's MATHEMATICS Performance History							
Student Grade	3	4	5	6	7	8	
Year	2019	2020					
Achievement level of student score on grade level standards							

9. **Performance History**—

- The tables show results for each year the MCA was given in the subjects applicable to that grade. When no score is available, a description of why is included.
- The four MCA Achievement Levels include Does Not Meet, Partially Meets, Meets, and Exceeds the grade-level standards.
- Students whose scores fall into the Meets the Standards or Exceeds the Standards performance levels are considered "proficient" for accountability purposes.
- The Achievement Level reported for a grade relates to the Minnesota Academic Standards tested in that particular grade only. When looking at results across grades, keep in mind academic standards change from grade to grade.

> **What is this report about?**

- This Individual Student Report (ISR) provides your student's results on the Minnesota Assessments taken in the spring of 2020 to measure student knowledge and skills on the Minnesota Academic Standards.
- This ISR includes your student's overall score and performance level in each subject tested and the average scores for students at your school, your district, and at the state level.
- If you have questions about the results, we encourage you to contact your student's school.
- The Achievement Level reported for a grade relates to the Minnesota academic standards tested in that particular grade only. When looking at results across grades, keep in mind academic standards change from grade to grade.

> **Who takes these assessments and why?**

The Minnesota Assessments are taken by all public students in grades 3-8 and 11 on mathematics, in grades 3-8 and 10 on reading, and in grades 5, 8, and once in high school on science.

> **Where can I find information for parents/guardians?**
